

From the Station Manager

All of us at Praise FM hope you have a great summer. Enjoy your vacations, your family and your friends.

Just to let you know about a new show that began last month on Sunday nights... "Culture Watch Radio" -- it's hosted by M.B. Weston, author of two fantasy novels, and me. On the show, we will take a critical look at movies, books and TV programs, all through a Christian perspective.

"Culture Watch Radio" airs from 10 to 11 PM right here on Praise FM 89.5. Give us a call, we would like to hear your comments as well.

Thank you for all your support as we continue to share the love of Jesus Christ to all of Southwest Florida.

A Father's Promise

Deuteronomy 31:5

"Be strong and courageous. Do not be afraid or terrified because of them, for the Lord your God goes with you; he will never leave you nor forsake you."

In 1989 an 8.2 earthquake almost flattened Armenia, killing over 30,000 people in less than 4 minutes. In the midst of the chaos, a father left his wife at home & rushed to the school where his son was supposed to be, only to find the building had been flattened.

After the initial shock, he remembered his promise to his son, 'No matter what, I will always be there for you,' then tears filled his eyes. He looked at the pile of debris that looked hopeless and he remembered his commitment. He walked to where his son's classroom was and began to dig.

He dug for 38 hours until he pulled back a boulder and heard his son's voice! "ARMAND!" He heard back, "Dad!?! It's me Dad! His son said, "I told the other kids not to worry. I told 'em that if you were alive, you'd save me and when you saved me, they would be saved too. You promised, 'No matter what, I'll always be there for you!' You did it Dad!..."

"How is it in there?" asked the

father. "There are 14 of us left out of 33, Dad. We're scared, hungry, thirsty and thankful you're here. When the building collapsed, it made a wedge, like a triangle and it saved us."

"Come out, boy!" called the father. "No, Dad! Let the other kids come out first, 'cause I know you'll get me! No matter what, I know you'll be there for me!" replied the son.

This story parallels our **Lord's** commitment to us as our Father and reminds us how good he is to us!

Father's Day, our day to honor and celebrate our father(s)!!

Arnie's Joke of the MONTH

Dear Father,
School i\$ really great. I am making lot\$ of friend\$ and \$tudying very hard. With all my \$tuff, I \$imply can't think of anything I need, \$o if you would like, you can ju\$t \$end me a card, a\$ I would love to hear from you.
Love, Your \$on.

After receiving his son's letter, the father immediately replies by sending a letter back.

Dear Son,
I kNOW that astroNomy, ecoNomics, and oceanOgraphy are eNOugh to keep even an hoNOr student busy. Do NOT forget that the pursuit of kNOwledge is a NOble task, and you can never study eNOugh.
Love, Dad

THANK YOU

to our new Praise FM

Tenth Avenue North, named 'New Artist Of

The Year' by industry and fans at the 40th Annual GMA Dove Awards!

At the Dove Awards, following the announcement, Mike Donehey (lead singer) said, "We felt so honored just to be nominated among the other new artists, and to be quite honest, we really couldn't

believe that we won. We are so thankful and so incredibly humbled to be recognized this way. Praise **God** from whom all blessings flow."

Tenth Avenue North is from West Palm Beach, Florida and is made up of members, Mike Donehey (lead singer/acoustic guitar), Jason Jamison (drummer), Jeff Owen (electric guitar/background vocals) and Scott Sanders (bass guitar).

"Simply, our mission as a band is to know **Christ** and to make **him** known," says Donehey. Band members are as much teachers, as

artists, demonstrating this through their intellectual, yet vulnerably accessible songs that echo the heart of the human condition and the hope of the risen **Savior**.

"Tenth Avenue North is definitely the band to keep an eye on. I'm so impressed with these guys and excited to see how **God** is going to use them! They are the real deal." says Eric Allen, Air 1 Program Dir.
